

Most of the website for the El Segundo Slipt Stitchers is available to anyone browsing the internet. But we do have an area of the website that requires a password to access. This includes items that we don't want to allow the general public to have access to—for example, copies of the handouts that our workshop presenters prepare for us.

When you click on the link to go to the password protected parts of the website you will be prompted to log in (see the form below) if you haven't logged in during your current session. If you haven't already set up your log-in credentials, you will need to sign up. Please use a strong, unique password when you sign up.

A screenshot of a 'Log In' form on a pink background. The title 'Log In' is at the top. Below it is a link 'New to this site? Sign Up' where 'Sign Up' is circled in red. The form has two input fields: 'Email *' and 'Password *'. Below the password field is a link 'Forgot password?'. At the bottom is a dark blue 'Log In' button.

Log In

If you have not yet set up a log in, click where it says Sign up (I've circled it in red above). It will take you to this page:

A screenshot of a 'Sign Up' form on a light blue background. The title 'Sign Up' is at the top. Below it are four input fields: 'First Name', 'Last Name', 'Email', and 'Password'. At the bottom is a dark blue 'Sign up' button. Below the button is a link 'Already a member? Log In' where 'Log In' is circled in red.

Already a member? [Log In](#)

Please sign up with the email address that you use for your Guild membership. After filling in the form, click Go. Then you will see the confirmation screen (shown below). As noted, your login request needs to be approved and you will receive an email letting you know when it is approved.

Success! Your member signup request has been sent and is awaiting approval. The site administrator will notify you via email ([REDACTED]) once your request has been approved.

Your email here

OK

Please be sure that the email address you use to sign up for your account is the same one that you use for your guild membership. The reason for this is that the way the approval process works is I receive an email informing me of your login request. I need to check your email against the membership roster so if they don't match, you won't be approved.

I recommend that you sign up for account before you need to access the members-only section of the website. Since I have to approve each request manually it may take one to two days for me to approve a request—because there is only one of me and I at least try not to spend 24/7 at my computer! We may also have a lot of people signing up at once which may slow down the process a little. So plan ahead so you will be able to access the information you need. Once your account has been approved, you can just log in each time you want to access the members-only page. Your account will remain active for your current membership year.
