ESSS- Presidents' Message

When you're part of a guild, your personal goals are tied to the group's success. Wins are shared, and everyone chips in when things get tough. That "all for one, one for all" energy helps guilds pull off big projects and set new standards.

Every member adds to the guild's collective knowledge, passing down tips and tricks from one generation to the next. New members bring fresh ideas, making sure guilds keep evolving instead of getting stuck in the past.

As we continue, please keep in mind what you'd like to see in our group. Is there something you can contribute?

Vice President – Gillian B.

Our July meeting was of course our annual Birthday Party Celebration and potluck! We had a great turnout and saw many faces who aren't always able to come to every meeting. Did they come for the food? Did they come just to collect their birthday present, I wonder? If they did, they're not telling...

But really, I'm sure everyone came for the great company and the

opportunity to hang out with our knitting friends. We probably all ate too much (I know I did!) and we all had a good time. Thank you to everyone who brought food, and the officers for the drinks. There were lots of yummy dishes and happily we had a good balance of healthy foods over desserts!

August Program:

For our August program, Cathy M. will be teaching us how to make crocheted fleece blankets. Her handout is attached to this newsletter, but **here are the important things to know before the meeting:**

- **SUPPLIES. PLEASE BRING THE FOLLOWING TO THE MEETING:**
 - *Fleece. You need a minimum of 1 yard, which will make 2 baby blankets or 1 adult size blanket. If you only buy half a yard you will have a piece measuring 58 x18 - not good! One yard can be shared between 2 people but DO NOT buy half a yard!*
 - *Yarn – worsted weight acrylic – 1 skein. May use sports weight yarn for a finer finish.*
