## PRESIDENT'S MESSAGE- June L

I would like to apologize for the chaotic meeting. I skipped the committee reports to try and make more time for the Raffle and Show & Share. That was a mistake and I'll go back to going down the committee list. Also, I'll try to better organize the Board members reports.

The reason we have so many committees is that as the Guild grew, the Board wanted to engage more of the members in running it. So, I want to encourage everyone to volunteer for a committee. If you are unsure about the duties of a certain Committee Chair, ask me, or check the By-laws on the website.

-June L.

## VICE PRESIDENT – Gillian B.

Well, not many of you decided to stay to talk about how we organize our stuff, aka *Organizing Your Crafting Supplies*. But just when I think that a small turn out means that the program is going to bomb, I get proven wrong. We had a really good discussion, and some very handy tips were exchanged.
