ESSS PRESIDENT(S) MESSAGE

Happy Lunar New Year! It's the Year of the Snake. It's believed to bring wisdom, transformation, and strategic growth. It's time to shed old bad habits and plan to achieve long-term success. So, let us know how we can make the guild more valuable and fun for you.

We also want to give a big thank you to Joan W. for stepping in and stepping up to be our fearless leader last year. She did an especially great job with the World Wide Knit in Public day. Thankfully she's still on the board to help.

June L. and Tonya B.

ESSS VP MESSAGE

Vice President – Gillian B.

At our January meeting we brainstormed topics and voted on our program schedule for the remainder of the year. Thank you to everyone who contributed ideas, and an even bigger thank you to all who volunteered to teach a topic. An especial shoutout is due to Mary Beth K., who contributed a long laundry list of things she is willing to teach. We chose two for 2025 and hope we can call on her in future years for some of the others. Thank you, Mary Beth, our programs would be the worse off without you!
