SARAH'S STITCHES

Spring is coming, the clocks are changing and its still raining!! This season has already seen over 20 inches of rain which means we are over 8 inches higher than average already, but still probably in a drought. I hope this means our temperature projects will be more varied, at least to start with. I am still not able to do much with my wrist, but I am trying to work out what I can do instead. Until then I will have to keep living through you all so please bring lots of show and share to the Meeting.

Keep Stitching Sarah W

Dues are Due!

If you have not paid your dues after the March meeting, you will be removed from the roster and will no longer receive the newsletter or be able to come to the meetings. We don't want that!!!

Dues are \$30 per year, please bring a check or cash to the meeting. If you can't take care of this at a meeting please contact Joan at the guild's email address: elsegundosliplstitchers@yahoo.com to make other arrangements for paying your dues

Please include your current email address.
