### President - June

Fast away the old year passes. Fa-la-la-la-la. La-la-la-la. Hail the  
new ye lads and lasses. Fa-la-la-la-la. La-la-la-la-la.

Well, cheers to another year. I hope your holidays were joyful and  
bright. Be sure to take care of yourselves. No more injuries or health  
problems for the new year. “May your days be merry and bright.”

Vice President – Gillian B.

We had a great time visiting in December at our annual Holiday Potluck  
party. Thanks for the tasty treats! For our January program, we'll have a  
discussion and vote on program topics you would like for 2026. Bring your  
ideas to the meeting; we're all excited to learn about everyone's interests.

So far, our list includes (with the name of the person who has volunteered to teach it, if any) (and sorry, I don't have  
definitions for these):

Field trips / workshops (these may not work with a regular meeting, and we need to do more research):

- a. Visit to a fiber producing farm
- b. Return to Trendsetter Yarns
- c. Natural Dying Workshop

New (ish) topics for regular Meeting Programs:

1. Magic Loop (*postponed from 2025*)      Tonya
2. Contrast Vertical Stranding (*holdover from 2025*)      Mary Beth?
3. Reading Charts Joan
