## SARAH'S STITCHES

As 2022 draws to a close I want to start by saying a few thank yous. To all of you that have been coming to the meetings and joining the zooms all year, I appreciate your help and encouragement in keeping our great group going. Thank you to all the people that helped on the booth at Stitches, and those of you that took home Blanket Kits to complete so we can donate them to Charity as planned, if all the kits are completed that will be 21 blankets finished for donation from the one event which more than I had hoped for. Finally, thanks to the rest of the board members for volunteering to stay on another year and for all their support throughout this past year.

For those of you that made Napkin Sweaters this year please bring them to the December meeting, we would like to get pictures of them all together! At the November meeting we discussed a theme for next year's year long KAL/CAL and thanks to all the input it will be Temperature related. For those of you that want to do a temperature blanket / scarf / snake (and yes I mean snake! Check Ravelry if you don't believe me) it can be as long or short, as easy or complicated you want. I will post some links and start a thread on Ravelry in the next couple of weeks with some yarn suggestions. Hopefully we can try this adventure together.

Keep stitching  
Sarah W

## DECEMBER PROGRAM

Vice Presidents-Tonya B and Phyllis H  
Thank you, Joan W, for sharing your Tea Cozy pattern with us. I suspect there might be some last-minute holiday gifts underway! For December, we will once again forego our Holiday Potluck, instead have a 'bring your own sack lunch' celebration. The Board will bring holiday treats for dessert. Hoping everyone can join us.

**And don't forget to wear your napkin sweater.**
