Dear Friends,

All of us at Interval House are so touched by your thoughtful giving, and we send you our heartfelt appreciation for your kind gift of 20 handmade scarves, and 4 scarf and hat sets.

In these trying times, the need for Interval House's services has grown exponentially. Our emergency shelters are filled to capacity, and we have been given the honor and privilege to assist more people than ever in our 43-year history. The support and love that we're able to give our families, thanks to your kindness, will lift them up in immeasurable ways and give them hope at a time of great fear and sadness.

Thank you so much for helping to make our work possible through your giving. Please know that it would be an honor and a pleasure to connect further with you. If you would like more information about our programs, please give us a call at (562) 594-9492 or email us at [admin@intervalhouse.org](mailto:admin@intervalhouse.org).

Thank you again for opening your heart to Interval House, and for helping us in offering peace, promise and purpose to the thousands of families we are so honored to serve.

With gratitude,

Carol Williams
