10am-1pm

At the Joslyn Center

Zoom Get Together

Wed / Friday: 5:30 -10pm

SAT & SUN: 9:00 am-10pm
(as requested)

President - June

Just let a smile be your umbrella on a rainy, rainy day....

Thanks to all who braved the weather and showed up for the meeting. I thought it was a productive meeting. I hope everyone has given some thought as to how we can boost our income. I enjoy our guild and the friends I've made and hope we can continue for years to come.

Take care of yourselves and enjoy the holiday season.

-June L. co-president

Vice President – Gillian B.

We had a small group at the November meeting, probably because of all the rain. Unfortunately, Mary Beth was sick, so we didn't have a program either!

But there was a silver lining in that we had a lot to discuss at our regular meeting, and it ran long. And people were happy to leave a bit early. If Mary Beth had to get sick, she picked a good day to do it! I hope she's feeling much better now.

December is our annual Holiday Potluck party. Bring whatever dish you'd like to share – savory or sweet. It's a true potluck – we don't coordinate. The Board will provide drinks, and the Hospitality Secretary will provide plates and cutlery. Bear in mind that although we have access to the kitchen, we can't heat or cook anything. If you need to keep something hot, you should bring it in an electric hot pot. Also, we can use the fridge, but space is not guaranteed. Anything already in the fridge is strictly off limits for our use.

At the December meeting I also want to take a little time to brainstorm ideas for next year's programs. So please come with ideas for what you'd like to learn about; or even better, what you'd be willing to learn about and then teach the rest of us! We will be voting on program topics in January, but I'd like people to start thinking about ideas now.

Happy Thanksgiving one and all!
