PRESIDENT'S MESSAGE- June L.

"I'm not self-medicating with yarn. The woman at the yarn store wrote me a prescription. Well, she called it a receipt.

Whatever!"

The trip to Trendsetters was worth the drive. Barry's talk was informative and inspiring. I love his designs. He makes wonderful use of texture and color. The yarns he uses are unique and beautiful and I was tempted to buy a couple of balls just to have as stress balls (soft and squishy). But I was disciplined and only added two projects to my stash. Now let's see if I ever make them. 😊

VICE PRESIDENT – Gillian B.

Our visit to Trendsetter Yarns was a big success. Our group of about 15 people was rather small to justify Trendsetter's opening the warehouse on the weekend; but some folks came from The Knitting Tree too so things worked out fine. Bruce & Alicia came from The Knitting Tree to facilitate the retail purchases.

There was quite a queue to ring things up!

Our business meeting was REALLY short. Then we had a presentation from Barry Klein showing some new yarns and garments, including some great ideas and knitting hacks. He's a great teacher. Here's Barry demonstrating a sweater worked in a drop stitch pattern, and another tee painted with bleach (really). *Aaand we shopped…* Of course I bought some yarn!
