## SARAH'S STITCHES

Last month we had our first in person meeting and thank you for each of you that came although the crowd was not huge, I think everyone enjoyed the meeting. This month is our birthday month but we need to do something a little different as we can't use the kitchen for the traditional pot luck. Please Refer to the program notes below for how we will celebrate. While we managed to fill most of the committee posts last month, we are still looking for someone to become our merchandise chair, if you are interested, please let me know.

We will continue to follow the in-person rules we set during the last meeting, please refer to last months email before you come to make sure you know what to do. If anything changes we will let you know as soon as we can

Happy knitting  
Sarah

## JULY PROGRAM - HAPPY BIRTHDAY ESSS!

Programs VPs: Tonya B and Phyllis H

Thank you, Charlene K, for our wonderful June program last month on Time to Think About Holiday Gifts! This month is our standard July birthday month, so our program will be a birthday celebration. We'll celebrate a little differently this year. Instead of our usual potluck, we ask everyone to bring their own lunch to enjoy during the workshop part of the meeting. And the Guild will bring a little birthday treat for everyone. Feel free to bring whatever you would like for your lunch; please do not share food. The kitchen is not available, so make sure your lunch is something you can keep with you at your seat. We'll have lunch together and then enjoy our birthday treat!
